

Dear Anne -

Your kind note  
was duly received - Thanks  
for the many good things -

I've had to a notice  
we see in the Lib.

that I am to be in  
Weymouth Oct 12<sup>th</sup>

Ann & I consider it

Ms. A.9.2.28.22B

the height of audacity  
in you to presume to  
suppose that I can  
spend the evening of  
that, the anniversary  
of our wedding day -  
away from her that  
I should dine at Brantton  
Lake at War -  
Don't plead ignorance

the excuse aggravates  
the fault—

Sincerely I am  
not sure I can come  
we had arranged that  
very day for going into town.  
It may be impossible either  
to hurry or delay our move—  
If settled there I'd come  
if settled here I'd  
come - but in any  
other case I'd prefer

many thanks for the letter which I enclose  
we shall talk all things over if I see you - a when I  
see you in Bolton - I shall write  
to you  
together

more than so -

His speech is enough  
the excellent speech he  
made at Weymouth will  
be repeating - only  
write him that he is  
solely relied on, & be  
sure of him

I'll come if I possibly  
can - if otherwise you'll  
get along without me, won't  
you? With much love  
y<sup>r</sup>  
W. Pitt
